F22291.C

Progettazione e realizzazione di kit cablaggio elettrico, operate sulla base delle più moderne tecnologie presenti sul mercato.

Complete wiring harness is projected and realized taking advantage of the most modern technologies on the market.

Etude et réalisation de kit faisceau électrique complet, produit selon les plus modernes technologies du marché.

Kompletten Kabelstränge werden nach den modernsten Technologie auf dem Markt entwickelt und hergestellt.

Sezione cavo Cable section	Max. temp. esercizio Max. working temp.	Minimo ordinabile Minimum batch qty
0,5 mm	105°C	5.000
